Immediately after the release of the two last prisoners from the pillory the whippings began, and were concluded within half an hour. Carter, or "Big Frank," as he is more familiarly known because of his size, was the first of the prisoners led to the whipping post. He wore his dress coat about his body which was removed as soon as he was ready to be fastened to the New York and Washington, and entered on the performance of his duties on Thursday last.

—A pigeon shooting match took place

—A pigeon shooting match took place which wells were raised, but no blood was drawn.

-A pigeon shooting match took place in Little Elk last week, which unlike most of the matches of the kind could not be termed cruel. Out of 20 birds fired at one was killed. We did not hear of any others being hit.

-The African Methodist Episcopal congregation of Elkton will hold their Quarterly Moeting to-morrow in the church on terly Moeting to-morrow in the church on the control of the proposition of the price for school house lot in North East, amounting the were undergoing much bodily pain. His anguish of mind was evidently intense. No blood was the second to receive the penalty. He stood erect, and there was a slip type yielding under the weight of the blows. Closing his eyes, his head was thrown somewhat upward, as if in an attitude of prayer, and several times he school house lot in North East, amounting to \$115. It was stated that the amount agreed upon by R. In. Thomas, S. J. England and J. Squier—there being a misunderstanding between the parties. On motion the subject was postponed for the present.

terly Meeting to-morrow in the church on corner of Bridge and Main streets. Rev. Mr. Rideout will conduct the services, which will commence at 11 A. M., 3 and 7 y. M.

—We omitted last week, in speaking of John Young, the hero of our Morman sketch, being the youngest son of Brigham, to say by the prophets first wife. Brigham takes a young wife every year, and it is presumable that he has some sons quite young.

diawn, although ied welts were drawn all across his back. No blood was drawn and to the post his face wore an expression of sadness, for the seemingly was compressing his lips and he seemingly was compressing his lips with emotion, and although he boro up he well under the lash his flesh quivered with the cold. He was apparently more severely punished than any of the rest, for wells were raised which blackened, and under a few more blows would have opened and seen the blood streaming down his back. No blood was drawn. Lawler is evidently more keenly sensitive to his situation than

took place at the Elkton Presbyterian Church on Tuesday. The deceased was a young lady.

—The Harford county farmers have been moving in the matter of organizing an Agricultural Society; and fair ground for the false is a large red welts were made across his back, but no blood was a side of the county farmers have been moving in the matter of organizing an Agricultural Society; and fair ground for the false is a large red welts were made across his back, but no blood was a side of the crowd, but when was opened through the crowd, but when has face was hid from view. He is a man of the county farmers have been moving in the matter of organizing an Agricultural Society and fair ground for the county farmers have been moving in the matter of organizing an Agricultural Society.

Agricultural Society; and fair ground for bolding the fairs is to be produced in the wisdrawn.

It recens to be the universal opinion that the whipping post in this instance was the right thing in the right place. The opposite county had become better acquainted.

—William Rambo, plasterer, was severely hurt on Friday (yesterday) morning, while assisting to remove a barrel of whisky from the express car at this station, The barrel slipped and fell on him, crushing his evidently means something.

were made across his back, but no blood was drawn.

It recens to be the universal opinion that the whipping post in this instance was the right place. The opposite thing in the right place. The opposite thing in the right place. The opposite thing the post have nothing to say in condemnation of the punishment these genteel rascals received in little Delaware. They have defied law, and hived by pillage in Philadelphia. Delaware criminal law evidently means something.

Whether the barried proposals from there firms, to wit:

Cushing & Mediary, of Baltimore, and Dulamey & Company. After examination to the President and Secretary were authorized to contract with Cushing & Mediary were the lowest bidders, and on motion the President and Secretary were authorized to contract with Cushing & Mediary to supply the schools of the county with books and stationary, for one year from the 15th day of December, 1873, A bill of the Examiner for traveling excollection was taken up.

A bill of the Examiner for traveling expenses in visiting the schools of the country means something.

A bill of the Examiner for traveling expenses in visiting the schools of the country, amounting to \$250, was examined by the auditing committee, and ordered to be paid.

The President and Treasurer were auditened by preparation in the Particular form of Penvisian Syrup that its full power over disease has been brought to light. Its effect in cases of dyspepsia and debility is most salutary.

A bill of the Examiner for traveling expenses in visiting the schools of the country, amounting to \$250, was examined by the auditing committee, and ordered to be paid.

The President and Treasurer were auditened to meet the liabilities of the Board falling due before 1st January, 1874.

On motion adjourned to meet on Tuesday, 16th of December 1970. most salutary.
